Telling the time

The screenshot shows a web browser window displaying the Google Play Store page for the 'Learn clock and time' app. The browser's address bar shows the URL: <https://play.google.com/store/apps/details?id=com.mbd.tellingtime&hl=en&gl=US>. The app's title is 'Learn clock and time' by MBD Group, with a rating of 3.7 stars and over 100K downloads. The app icon features a red alarm clock with yellow bells. Below the title, there are two preview images: 'WHAT TIME IS NOW' showing a clock face with a smiley face and time selection buttons (12:00, 12:15, 11:15), and 'SET THE CL' showing a clock face with a blue background. To the right, there is a 'Developer contact' section and a list of other apps by MBD Group: 'Learn Months and Days', 'Hindi Vammala Kids', and 'Learn About Body Parts'. The bottom of the screen shows a Windows taskbar with various icons and a system tray indicating 15°C, Nuvoloso, and the date 16/10/2022.
